AT HOME AND ABROAD

HIGHLIGHTS & SUMMARY OF 2013 AS WE STEP INTO A NEW SEASON

MERRY CHRISTMAS AND BLESSINGS FOR 2014

“Professor” Joe

Joe began teaching a missionary aviation course to students at San Diego Bible College last spring. What an honor and blessing for him to present a practical and informative curriculum for missionary aviators of the future. His vast experience in the “field” has filled in the gap for this course of study at SDBC. Pray for his class beginning January 20, 2014.

✧ IT’S RELATIONAL ✧

“Arise, shine for your light has come and the glory of the Lord has risen upon you. Isaiah 60:1

MINISTRY IS PEOPLE, RELATIONSHIPS

We live not for self but for others. It can be a challenge when you live so much for your self, your comforts, your security as perceived in the world, but when you step into His plan and purposes self gets repositioned.

Bill Johnson says, “The closer you get to God the less you can take with you.” Do I hear a

dying of sorts? Joe and I are ever learning, always being stretched and challenged. Life

is messy but God is patient, kind, and just plain good. As Graham Cook says, “He budgets for our our failures.” Let’s move relationally for

a new season in 2014 for His KINGDOM and GLORY to come in REVIVAL! *muaine*

*** Solar Audio Bible Project ***

We are most excited about the ability to help provide the very popular and amazing tool of

God’s Word in audio form for people who are unable to read. We provide these Bibles to missionaries in Mozambique and Mexico. Each Bible is \$31.95. Earplugs and optional charger for those with electricity

is about \$4.50 extra. Contact us if you are interested in sowing into this program. Contact info on page three.

January 2013 trip to Oaxaca

Our trip last January was amazing. The Jackson family are fully Mexican involved in the culture and people of this mountainous region. We watched Holy Spirit move in power and the love of God. People received both physical and emotional healing as they put their trust in a loving Father God. Some were delivered of demons and one dramatically so. We live to see people get free and bathed in the love of God resulting in transformed hearts and minds. Garrett, Stephanie and family have been with us since 1994. Keep them always in your prayers and our trip to minister with them 1/4 - 1/14/2014!

The Freeborns Update

John and Jessica are back in the USA to regroup. There were blocked in their residency visas and going forward with their vision for the compromised children and youth taken into sex trafficking. Their home church mentors, at Bethel in Redding suggested they take a break and get more training, and seeking God for the needed support for re-entering Mexico in a year or less. We invite you to pray for this family; for refreshment & Kingdom strategies.

Red Seal Ministry

Since March of this year our Wednesday nights are spent at the home of Rick and Maria Sainz, co-founders of Red Seal. We have “partnered” with them in ministry and have been greatly impacted by their calling and ministry to equip and release the Body of Christ into their spiritual destiny. It is a blessing for us to learn from them, share the vision and be a small part of their ministry.

Note: Along with Beach Chapel and others, we are all praying for more opportunities to share and continue to move in a Revival spirit for San Diego, our city, our county, our state and our nation. Revival was prophesied 30 years ago for Southern California. IT’S TIME!

We love and bless these “laid down lovers” (Heidi Baker always called them this.) Their commitment is long term and we will continue to help support them with finances and materials as God provides, and He always does. Their reports of increase in

favor and lives transformed are amazing. Pray for safety as some are experiencing challenges in the midst of political upheaval and unrest Left to right: Joe & Glen, Footprints, Lorena & Brian, Linda and Sabina.

MISSIONARY VISITORS

From Spain & living in La Paz, Damaris and daughters needed a place for a trip north renewing her visa. It was a pleasure hosting them for two days.

THE FORRESTERS

Bethel Friends Roger and Kim came to share life in the Spirit with our friends at Beach Chapel

in July to edify and build up the church.

Beach Chapel

Everyone is responding to the fullness of God, to walk as Jesus taught the disciples, and all who would follow them should walk. We have

come along side of Pastor Larry for a new season of experiencing God in His Fullness.

LIFE, POWER, HEALING

We participated in a conference by Red Seal Ministries in November. People are hungry for more of God and He is responding to the cry of their hearts. We can believe God for more and Revival is here and now!
